All West High students heed the call;

To return to these Halls of Ivy once more,

And days filled with treasures of memories to store;

So here in this volume of blue and gold,

With a song in our hearts, our year we unfold.

Come on coach, "it ain't dat bad!"

Cheer up, things could be worse; so he cheered up and

*Most Sincerely,

whether teaching biology, or coaching
basketball or track, always seems to find
time to be a friend to everyone.

We are indebted to Coach Ganz because
of his ever present interest in school func-
tions as well as in the student body.

Coach Ganz, we salute you and hope
that life brings you every happiness.

Principal of West High

Mr. Love has been principal of West High School for eleven years now. Every year he becomes more and more a part of West, through his hard work to serve the students and the faculty. His high morals and principles have won him great respect from the whole student body.

During this last school year the school board had planned to interchange our principal and two others, but the protest we made and the petitions we signed for him to stay, were only a small sign of our love and devotion to him.

A Word To The Faculty

Miss Lucille Evans

It would be impossible to express, in this short space, the gratitude and appreciation that we, the students of West High, feel toward our teachers. Our teachers, some of whom are the most influential people in our lives, hold the key to our future characters, for it is they who instill within us our knowledge and our ideals.

Often we regard our teachers as watchdogs, interested only in supervising our work and seeing that we behave ourselves. We ought to remember all the many times they have gone out of their way to help us and to guide us. We ought to remember especially, this past year when their loyalty and willingness to act, helped West through, what could have been, a major crisis.

On behalf of the student body the WESTERNER STAFF OF 1962 would like to express its sincere gratitude to the faculty for the unceasing service, loyalty, and interest which they have continuously shown.

NATIONAL HONOR SOCIETY

When the Class of 1962 graduates in June, some of our members will wear the gold tassels on their caps. These outstanding students are members of the National Honor Society. They are elected by the faculty on the basis of scholarship, character, leadership, and service. Five percent of the junior class are taken in at the spring induction ceremony. From this group the officers for the next year are chosen. Ten percent of the senior class is inducted the following fall. This year impressive tapping ceremonies were conducted by candlelight during assembly programs.

Student Representative Assembly

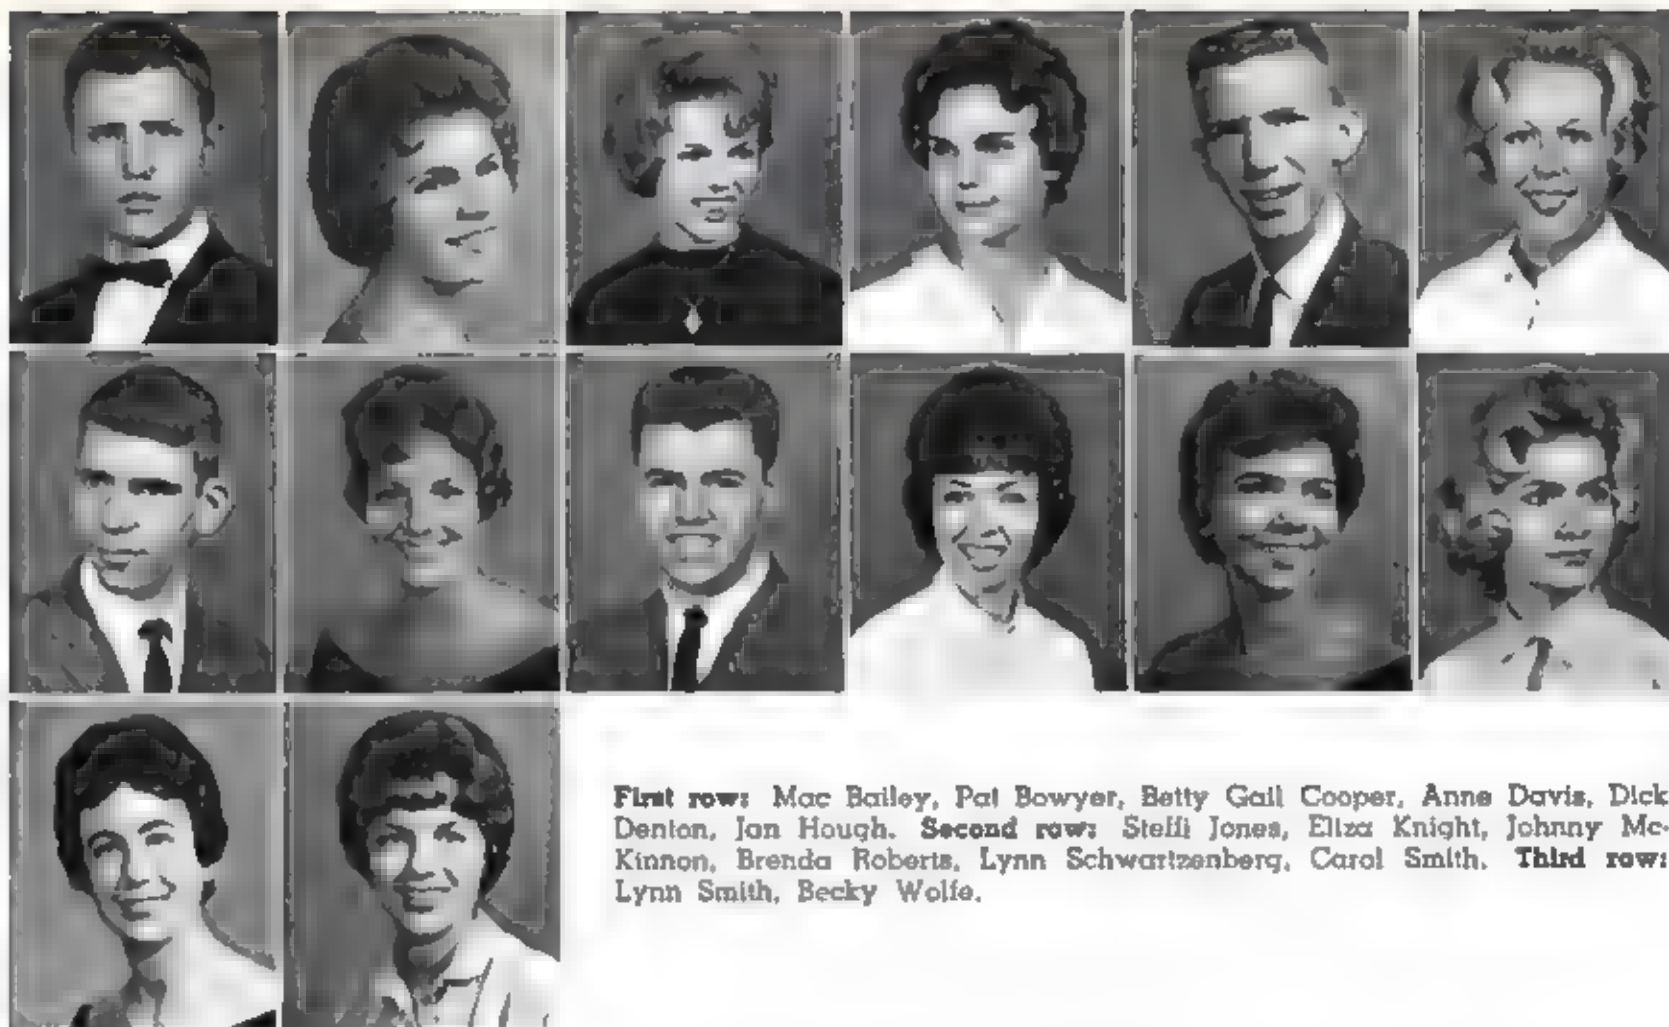

Through the patient and enthusiastic leadership of Miss Evans and Mrs. Hina, the co-sponsors, the Student Representative Assembly, known around West as the S.R.A., has become one of the most valuable school organizations. Through this assembly the students are able to express their views concerning the school's government.

The S.R.A. members are the representatives elected by each home group in school. These members attend the regular meetings which are held after school.

Ann Sienknecht was elected president of the Inter-High School Student Council.

Key Club International is a civic organization for high school boys and is sponsored by the Kiwanis International. Sophomore, junior, and senior boys are chosen for membership on the basis of leadership, scholarship, and sportsmanship.

Some of the projects taken up by the Key Club this year include selling programs at the football games and running the concession stand at basketball games. They cooperated and worked with the Chamber of Commerce in promoting a Keep Knoxville Klean drive by handing out litterbags for cars and circulating pledges to be signed. An annual service sponsored by the Key Club is Career Day. For a week programs were presented to the students leading up to the final day when experts from various professions came to the school. There they were available to talk with students interested in their vocation.

The purpose of the Key Club is to be of service to the school and community, and, at the same time, develop in its members the qualities of a good citizen.

F. T. A.

A well-rounded program has been offered under the Future Teachers of America at West High this year. Their principal goal is to cultivate the qualities essential in a good teacher. For a Christmas

project the F.T.A. gave a party for underprivileged children which was a great success. Becky Watson was president and Mrs. Hooper served as sponsor this year.

MUSIC AT WEST

Miss Ann Sloan
Choral Director

Under the very capable and alert leadership of its new director, Miss Sloan, this year's choir grew in number and popularity. Actually there were two groups, choir and chorus, in order to make accommodations for the fifty voices composing the combined groups.

Two concerts, one winter and one spring, in the school auditorium were the principle performances of the choir. The choir also had several enjoyable chapel programs throughout the year.

Several of the choir members help to make up the All-City Choir, directed by Gerald Ballard. Alice Ray Setliffe is the accompanist for both of these groups.

ENSEMBLE

The Ensemble is under the direction of Mr. Neal Haworth. They provided the music for the presentation of the Homecoming Queens.

This year the Ensemble was created because of such a small membership in the band. Next year we are hoping to increase the number of the band.

ART CLUB

The hands of the Art Club members are always busy. They are either creating a masterpiece or doing the messy job of mixing paints. This gifted and industrious group of artists, use their time and talents to pro-

mote an interest in art at school.

In the spring the Art Club sponsors an art show. All students exhibit their work, and the show is enjoyed by everyone who attends.

All students taking French are members of the French Clubs. These clubs are sponsored by Mrs. Payne, the French teacher.

The two main purposes of the club are to promote a greater interest in France—her

sights, her literature, and her fascinating history—and to enable students to understand to a higher degree the culture and art of France.

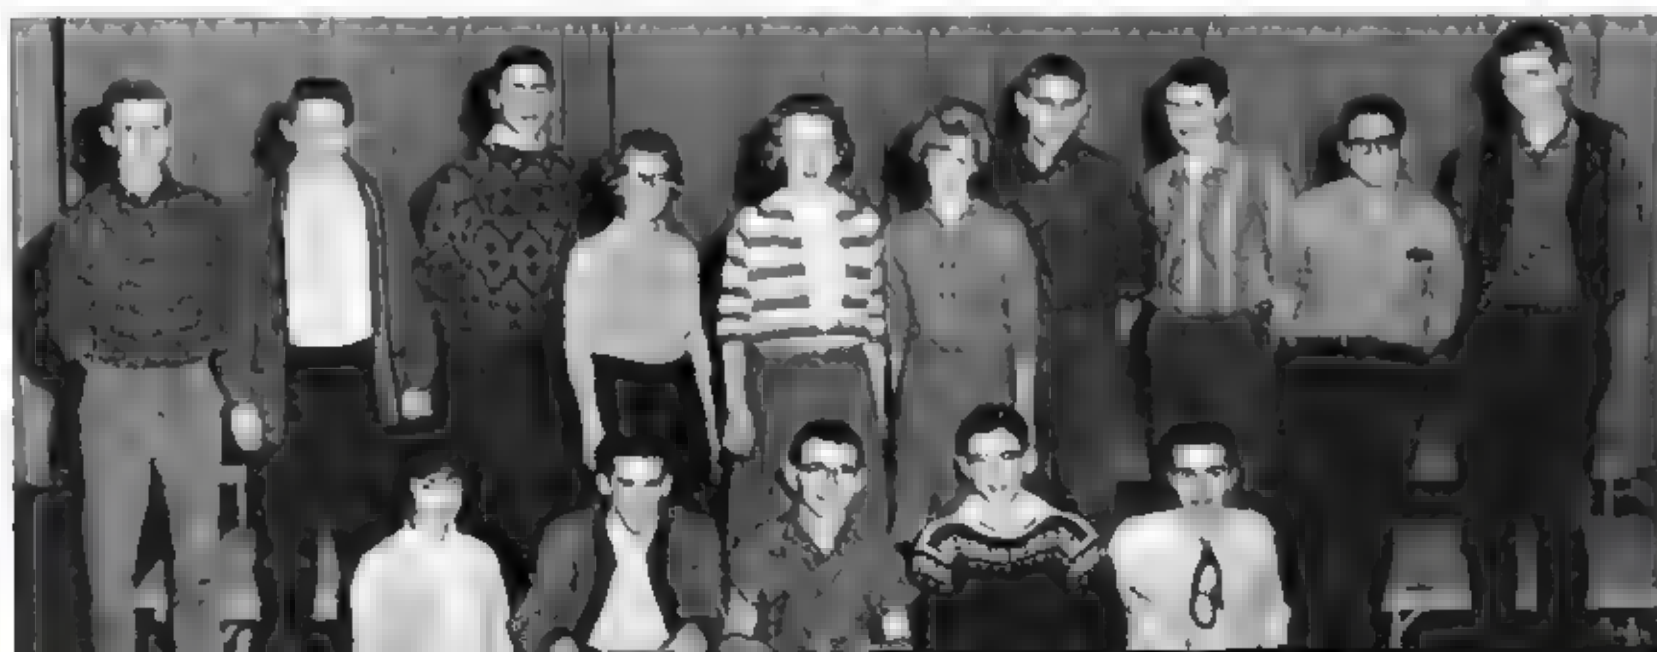

SPANISH CLUB

"Como esta usted?" is the secret password for all Spanish Club members. The Spanish Clubs' meetings are held during the class period and are presented to help build interest in Spanish-speaking countries and their customs.

West was very lucky this year to have a student from Venezuela, Ali Olivero. Ali helped the Spanish students by acquainting them with a true South American type of accent.

The organization of the Latin Club is patterned after that of the old Roman government. The club consists of two groups—the patricians, or upperclassmen. Only the patricians are permitted to fill the higher offices, while the lower offices are consuls and praetors, who are the executive officers; Aediles, or program chairman; Ansors, or roll-attendance secretaries; Scribes, recording secretaries and reporters; and Quaestors, or treasurers.

BANK AND STORE ASSISTANTS

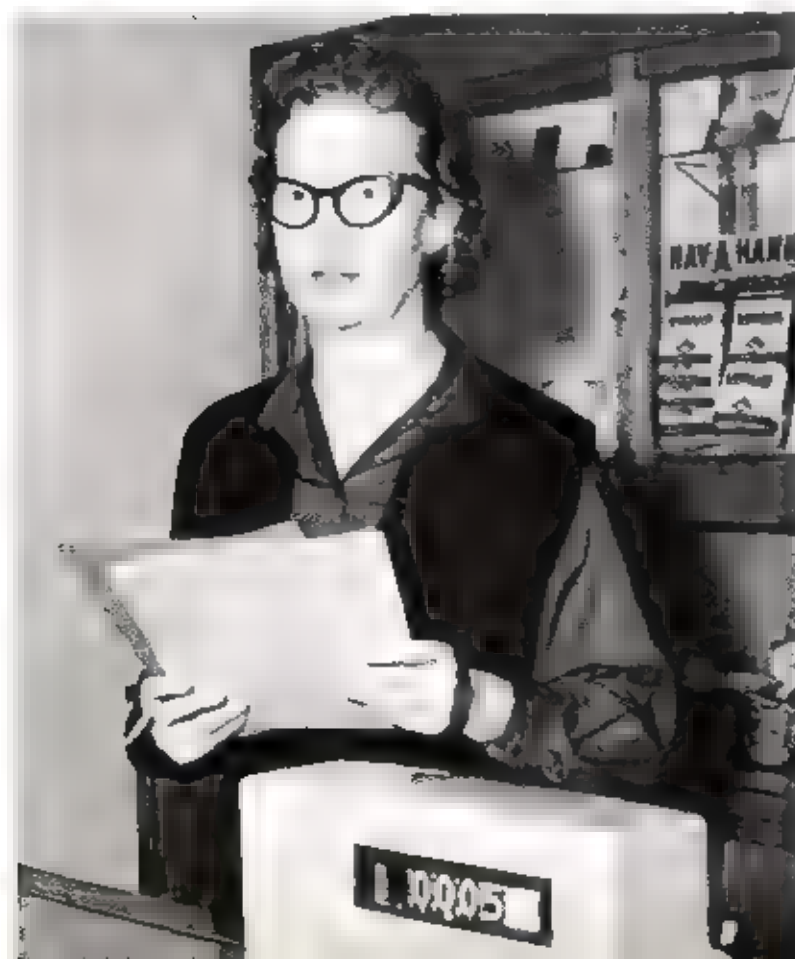

Alice Ray, teller and Jerelyn Lee cash in at your "friendly bank of West." Waiting on them are Chuck Conner and Jane Underwood.

The friendly store assistants are a great help to students who are in need of school supplies and a variety of other items.

Students interested in helping in the store during study hall and group periods made their application through Mrs. Beverly, teacher of D.E.

LIBRARY ASSISTANTS

By working in the library, the assistants gain valuable experience in meeting and dealing with people. The duties of the library assistants range from caring for the loan desk to keeping the shelves in order. There are many problems in managing so

many books, keeping records, and collecting fines.

We students should thank the library assistants for making our use of the library easier and more profitable.

LIBRARY CLUB

The students you see in the library, busily arranging books and stamping them, are all members of the Library Club. This is a new club at West this year, and Mrs. Cooper is the sponsor.

The members of the club plan to attend the Library Convention in Chattanooga this spring.

The nickname for the club is the "Dewey Decimals."

tionist Club is for boys or girls interested in learning the operation of a movie projector.

SCIENCE CLUB

It is the aim of the Science Club, in this day of ever-changing and complex society of automation, deep space probes, miracle drugs, and unceasing wonders of nature, to embark upon a course of extracurricular ac-

tivities to bring the future Scientist of America a better understanding of the world in which we live. The sponsor for the Science Club this year at West was Mr. Hardin, who teaches Physics and Chemistry.

the Student-Faculty basketball game and the West High Ice Hockey night have been among its activities for this year.

D. E. CLUB

The Distributive Education Club, sponsored by Mrs. Beverly, inspires students to be independent, cooperative, and self-confident. Being a leader, not a follower, is

also one of the ideals of the club. The students leave school around lunchtime to work at their respective jobs throughout the city.

O. T. C.

Office Training Club, better known as the O.T.C., is composed of students who have at least a "C" average. If a student holds

this average, is recommended by present members, and has a two-thirds vote of the members, he is eligible for membership.

SPEECH AND DRAMA

All students who are interested in public speaking are urged to join West's chapter of the Speech and Drama League. Mr. Potts is the club director under whose able leadership the members are enabled to practice the art of speech making.

One of the main purposes of the Speech and Drama League is to help students to further their learning in how to express themselves and to further their interest in dramatics.

Mrs. Naomi Hina
Guidance Counselor

GUIDANCE

Mrs. Naomi Hina, our guidance counselor, has been a great asset to West High School. She has worked tirelessly throughout the year helping students in selecting and applying to colleges, obtaining scholarships, administering tests, and giving information about tests, working out club schedules, and a hundred other things that happen her

way.

Mrs. Hina, even though her many other responsibilities—advising the WEST WIND Staff and the S.R.A. and teaching a journalism class—keep her busy all the time, will always take time to help a student with a problem.

ATHLETICS

Alternates—Phyllis Huff, Jan Griffith, Carol Smith.

CHEERLEADERS

Our cheerleaders are the spirit of West High. They are always behind the team, urging them on to victory, even when the going is rough.

This year's cheerleaders, led by Pat Bowyer, head cheerleader, and Judy Leinart, co-head cheerleader, helped to keep the spirit of West alive and boost the morale of

the students when they felt low.

The cheerleaders practiced at least once or twice a week during the summer in order to be ready for football season in the fall. These girls deserve a lot of credit for their tireless efforts to make West the best school in Knoxville.

Cheerleaders help promote school spirit by holding pep rallies.

REPRESENTATIVE

Eliza Knight was nominated by the faculty, and elected by the Senior Class to receive the D.A.R. Good Citizenship Award. The honor is obtained through the James White Chapter of the Daughters of the American Revolution and is one of the highest awards a senior girl can receive. She is chosen for her outstanding dependability, service, patriotism, and leadership. These qualities are essential to be a winner, but in addition to these, Eliza is recognized by her friendly smile, cheerful disposition, ability to get along with others, and her willingness to help everyone.

SENIOR CLASS HISTORY

We, as the class of 1962, may look back fondly on the three wonderful years we spent at West.

As sophomores, we found a whole new world opening to us in the form of parties, pep rallies before ball games, classes, and school elections. Toward the end of our first year of high school, we began to look forward to the next year when we would be upperclassmen.

Before very long we found ourselves in the fall of '60 as juniors. One of the highlights of the year was the arrival of our long-awaited class rings. We closed another eventful year with mixed feelings. We regretted that another year at West had passed by so quickly and we anticipated the happy times ahead of us as seniors. In

the spring the Junior-Senior Prom became a reality and, needless to say, a complete success.

At last in September, 1961; we reached our goal and we were envied seniors. Of course, our senior year was the best of all and was filled with amazing events. In the spring we gave our senior banquet and completed preparations for Class Day and Commencement.

As our high school days draw to a close, we realize that we have ended the best years of our lives. Although we have witnessed such tragedies as losing three of our fellow classmates we are ready to face the future with the realization that tomorrow is what we make it.

"Notice the big ears and long pig tails."

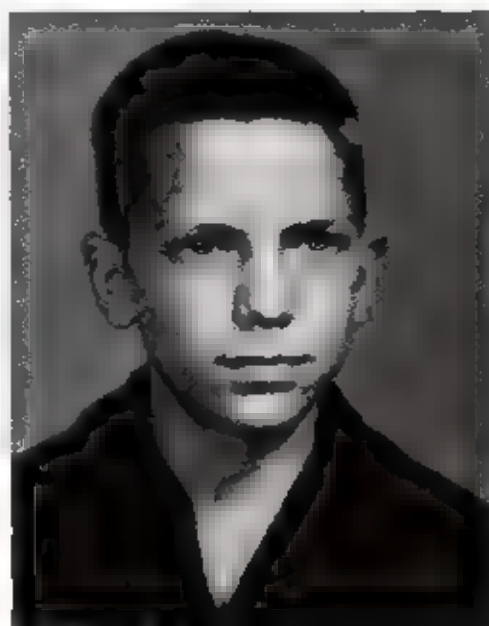

"We'll always remember the good ol' Tyson days."
"Is that all you could find to play with, Lynn?"

"She must have been born with a pie face!"

"Jon, we never knew you had always been—Best Looking."

"You really don't look like a 'farmer.'"

"Can you imagine Cissy Willis as a Brownie?"

"Notice—there is no change in his sex appeal"

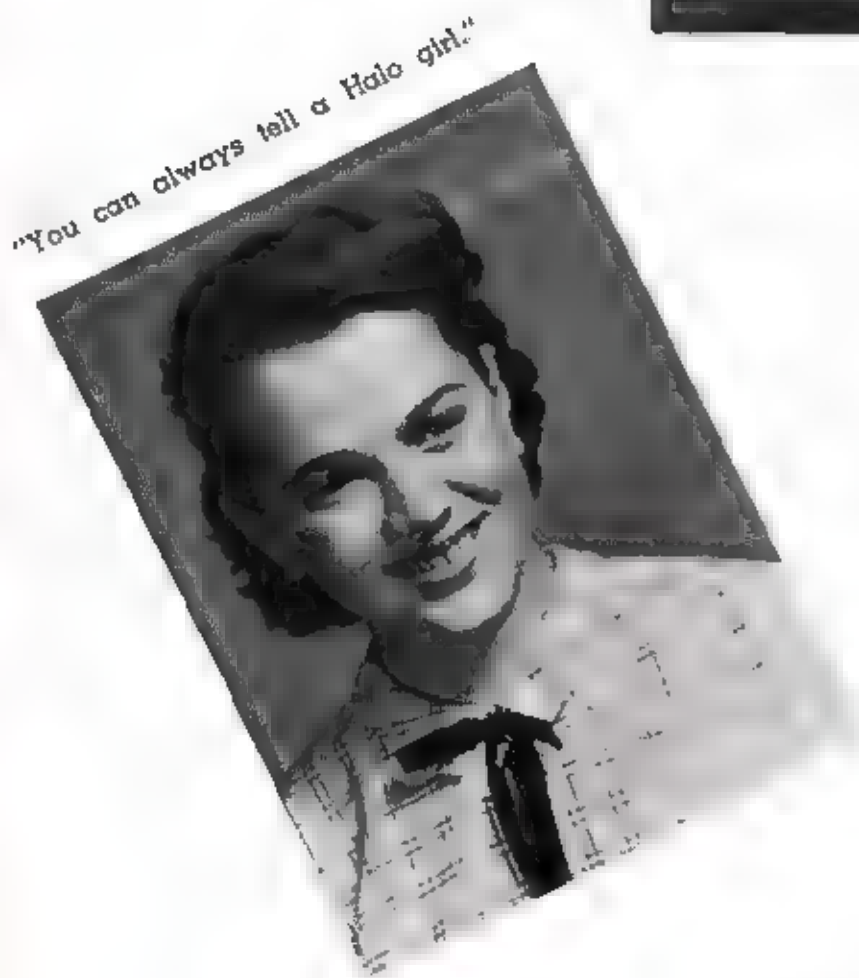

"Alice Ray, you're sexy."

"This is Knoxville's first Jr. Miss?"

"Becky got a new dress for graduation."

"You can always tell a Halo girl."

"Ain't they cut?"

"She ought to go to Hollywood."

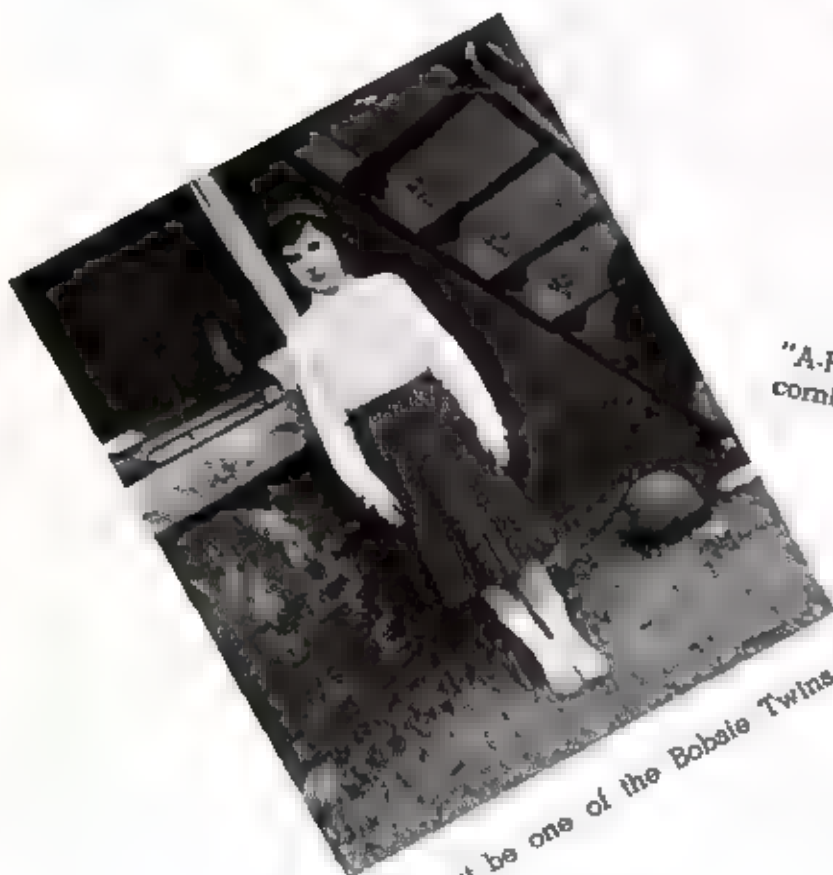

"I was born ugly—what's your excuse?"

"Attention Key Clubbers: at your left you will find your 'Key Club Sweet-heart.'"

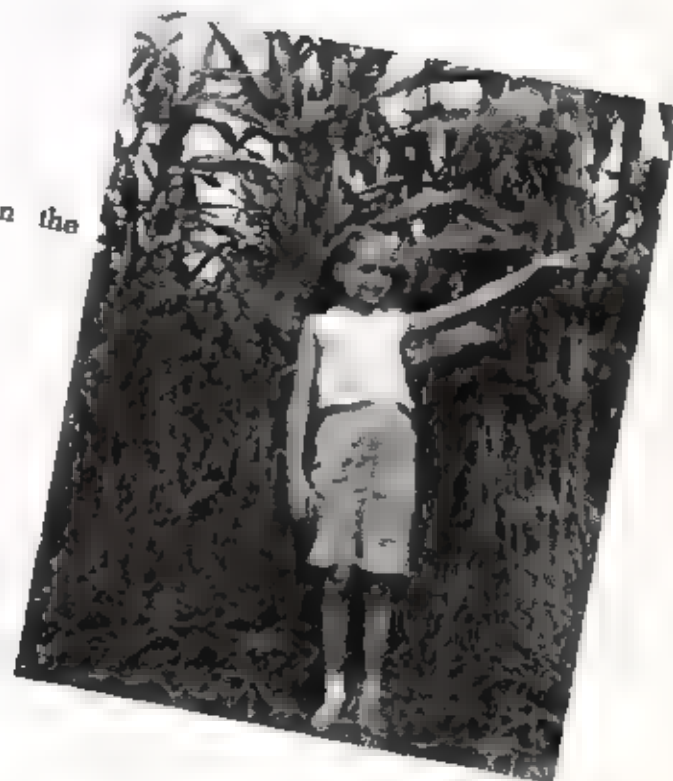

"My Old Flame, as sung by Jack to Tissy."

"It must be one of the Bobbie Twins."

"A-Ray, what are you doing in the cornfield???"
